Volunteer Requirements

1. Application

Return the completed application to the above address, or fax it. References will be checked.

2. Background Check

Because we work with abused children a criminal background check is required. The cost is to be paid by the volunteer, to the law enforcement agency at the time of the check.

The Athens County Sheriff Department, located on Washington Street, 2 doors from Donkey Coffee costs \$35. They can provide this service Monday through Friday from 9 to 3.

The Ohio University Police Department located at Scott Quad, costs \$28 and can be done at any time.

At either place, take your student ID (if applicable) and Driver's License as well as the above ACCAC address so they can send the results directly to us.

3. Talk to us!

Come in and meet with our Director or Volunteer Coordinator to discuss how your interests can match up with our needs.
